Chih-Yu Maggie Jao

National Taiwan University | r14227103@ntu.edu.tw | magpsy.github.io

EDUCATION

National Taiwan University, Taipei, Taiwan Sep. 2025 – present

M.S. program in Psychology, Social Psychology
Expected completion: July 2028; Advisor: Pin-Hao Andy Chen

National Taiwan University, Taipei, Taiwan 2021 – 2025

B.S. in Life Science; GPA: 3.73 / 4.3
Certificate of Completion, Neurobiology and Cognitive Science Program

AWARDS AND RESEARCH GRANTS

Academic Excellence Award (Life Science) Spring 2025

National Taiwan University; second semester of senior year

NSTC Undergraduate Research Grant 2024

National Science and Technology Council, Taiwan
Project on differences in perceived connection between observers and participants in social interactions.

RESEARCH EXPERIENCE

CHEN Lab, National Taiwan University 2023 – present

Graduate researcher (Sep. 2025–present);
Undergraduate student research assistant (2023–2025)

The impact of shared experience on mental alignment

- Designed experiments and conducted participant data collection.
- Configured virtual reality equipment and designed virtual environments.

Social interactions strengthen neural alignment

- Designed and conducted behavioral and neuroimaging experiments.
- Investigated alignment between humans and large language models (human–LLM alignment) in the context of social interactions.

Skills & Interests

Languages: English (IELTS 7.0 overall, CEFR C1); Japanese (NTU coursework; approx. N4)

Research interests: Computational social neuroscience; natural language processing; shared experience; social network analysis.

MANUSCRIPT IN PREPARATION

Chou, F.-C. B., **Jao, C.-Y. M.**, & Chen, P.-H. A. (In preparation). Investigating the self-monitoring effect on brain representations of food cues with an ISRSA approach.

CONFERENCE PRESENTATIONS

Chen, P.-H. A., Chou, F.-C. B., Wang, T.-R. H., & **Jao, C.-Y. M.** (2026). Simultaneous collection of multimodal measures reveals unique facets of affective experience. *Association for Psychological Science 2026 Annual Convention*, Barcelona, Spain.

Chen, P.-F. J., Chou, F.-C. B., **Jao, C.-Y. M.**, Wang, T.-R. H., Wang, S.-C. T., & Chen, P.-H. A. (2025). Using heart rate dynamics to examine emotional adaptation during prolonged naturalistic video watching. Oral presentation at the *Taiwanese Psychological Association 2025 Annual Conference*, Tainan, Taiwan.

Jao, C.-Y. M., Chou, F.-C. B., & Chen, P.-H. A. (2024). Investigating the self-monitoring effect on brain representations of food cues with an ISRSA approach. Symposium presentation at the *Taiwanese Psychological Association 2024 Annual Conference*, Taipei, Taiwan.

Chen, Y.-C. C., Chou, F.-C. B., **Jao, C.-Y. M.**, Chang, C.-Y. E., Liu, Y.-W. J., Chiu, T.-A. P., & Chen, P.-H. A. (2024). Unveiling affective experience during naturalistic viewing through spontaneous facial dynamics. *Social & Affective Neuroscience Society 2024 Annual Conference*, Toronto, Canada.

Jao, C.-Y. M., Chou, F.-C. B., & Chen, P.-H. A. (2023). Conversations between friends and strangers. *NTU Neurobiology and Cognitive Science Center 2023 Summer Internship Conference*, Taipei, Taiwan.

SELECTED COURSEWORK

Course	Grade
Special Topics in Computational Social Psychology	A+
Cognitive Psychology	A+
Advanced Personality and Social Psychology	A
Experimental Design	B+
Psychological Statistics I and II	B+

LEADERSHIP AND SERVICE

NTU Traditional Medicine Summer Medical Service Team 2024 – 2025

Traditional Chinese Medicine Group Leader

- Coordinated teaching schedules, medical supply collection, and community clinic procedures.
- Organized pulse-diagnosis training and supported an OSCE-style pulse-diagnosis activity.

NTU Traditional Medicine Research Club 2023 – 2025

Academic team member

- Organized acupuncture training and led a course group on traditional manual therapy.
- Supported public pulse-diagnosis activities and served as a camp instructor and deputy head of participant support.
